Minecraft 1.6.4 is a new version of Minecraft that's available to download for any interested user! If you're wondering how to get it, this is the guide for you! We've got all the files needed right here for you! Enjoy!",

Realistic resource packs are a good option for adding in visual elements to your game. They will make the world more realistic and give it an old, natural look that may be pleasing to the eye. Other mods may override this however, so if you want your resource pack to be compatible with other mods, you should check each one before getting them listed on your server as addons.",

Players complete a challenge and win prizes such as weapons, armor, unique items, etc - These servers are focused on playing mini games in order to win rewards. Creative Games Servers: Players can build anything they want with real-world objects inside the game.",

You can easily install the mods that we have listed here onto your own version of Minecraft. The mods have been created by other players, and they are designed to allow people who love Minecraft to take it to new heights. You don't need anything special in order to install different mods into your version of Minecraft, and we are going to give you everything that you need in order to download them right into your game.
